

EV 320

Follow-up to Subject Level Review

1. Goal

To implement procedures and processes to enhance the overall quality of teaching, learning and research within departments at the subject level.

2. Responsibility

Rector, the Quality Board at Bifröst University and Director of Quality Systems.

3. Timing

Follow-up processes should be included in every Subject Level Review report.

4. Description

Follow-up should start with an action plan based on the recommendations of the review team and comments from the external panel.

The action plan should include (at a minimum):

- Objectives and goals
- Responsible parties
- Time frame
- Implementation plan
